Mission Statement

The mission of the Home Van is to bring food, clothing, blankets, hygiene supplies and other services to the unsheltered homeless people of the downtown Gainesville area, and to help meet the nutritional needs of the working poor, especially single mothers and elderly people. There are no tests of worth to receive services from the Home Van. We believe that all people are worthy of the necessities of life. We work in partnership with those we serve, for the higher purpose of making our world a more human and loving place.

The HOME Van provides the following services:

- 400 meals a week to homeless people – delivered on Tuesday's at 7p.m. and Thursday's at 5 p.m.
- a neighborhood food pantry for the working poor in the downtown Gainesville area
- a mobile food pantry for elderly and disabled people
- blankets, hygiene products, clothing and other necessities of life for poor and homeless people

***Financial donations to the Home Van should be in the form of checks made out to the St. Vincent de Paul Society and earmarked for the Home Van.**
